Shipment & Delivery Information

We prioritize delivering the highest standards of quality and flexibility for all your shipment needs. Below are key details of our services:

We Provide Quality Certificates

Each shipment includes a Quality Certificate. If you require third-party inspections, we can arrange that for you through trusted agencies.

We Deliver to Your Port of Choice

Whether it's a local or international port, we ensure your shipment reaches your specified destination.

We Ensure Reliable Inspections

We work with SGS or any inspection agency you prefer to verify weight and quality, giving you complete peace of mind.

We Provide Flexible Shipment Terms

Our terms include FOB, CFR, or CIF-whatever works best for your business preferences.

We Offer Flexible Packaging Option

You can choose from 10kg, 20kg, 25kg, or 50kg packaging in BOPP bags, new Jute Bags, Woven, Non-Woven, or PP Bags-tailored to your specific needs.

We Manage Export Documentation

We handle complete export documentation including Invoice, Packing List, BL, COO, Phytosanitary, and compliance paperwork for smooth customs clearance.

We Customize Private Label Packaging

If you're looking for custom branding, we're happy to design packaging that aligns with your brand identity.

We Commit to Timely Deliveries

Once payment is confirmed (via L/C or Advance T.T.), we typically deliver within 10-15 days, ensuring you receive your goods on time.
